1810

[3] During the period of Daendels' administration in Indonesia (1808-11) from about 1810 onwards the Dutch names of months from the agricultural calendar (Louwmaand (Jan.); Sprokkelmaand (Feb.); Lentenmaand (Mar.); Grasmaand (Apr.); Bloeimaand (May); Zomermaand (Jun.); Hooimaand (Jul.); Oogstmaand (Aug.); Herftsmaand (Sept.); Wijnmaand (Oct.); Slachtmaand (Nov.) and Wintermaand (Dec.) were used in official correspondence. The use of the new calendar in Holland dated from the period of the Batavian Republic (1795-1805) and was probably inspired by the new French Revolutionary calendar introduced in Oct. 1793. Daendels, as an erstwhile member of the Dutch'Patriot Party' and admirer of the Jacobins, ~~probably~~ introduced it for political reasons but its use was terminated by Daendels' successor J.W. Janssens (May - Sept. 1811) in May 1811.

Het merkwaardige besluit van Daendels ter zake luidt, als volgt:

Zijne excellentie, bij eene missive van den prefect van

Paccalongang in dato 26 van Wijnmaand anno passato geinformeerd zijnde geworden, dat ingevolge van de order, welke hij, prefect, gegeven had, dat geene gewapende bovenlanders zijn prefecture zouden mogen passeeren, vier inlanders uit het Solosche district Dalimaas, gewapend met pieken, krissen, geweeren en andere wapenen, eigen aan landroovers en brandstichters, in het Batangsche district waren opgevat en een van deze vier suspecte personen, die zich feitelijk had te weer gesteld, was nedergelegd, en dat de ingebei van gedacht district Dalimaas, in náme Djaing Pattij, herhaalde reizen de gedachte opgevatte personen hebbende gereclameerd, hij, prefect, om de hooge toon, waarop de reclame was geschied, geoordeeld had daaraan niet te moeten defereeren, welke weigering de ingebei zoodanig scheen te hebben verbitterd, dat hij zich niet ontzien had eene order te geven aan de zijnen om de Batangsche timpangers of wachters op de grensscheidingen om het leven te brengen, met gevolg, dat hij, ingebei, een derzelver door geweld in zijn macht gekregen en over de grenzen had laten vervoeren, alwaar dezelve op eene gruwelijke wijze, als het ware, was geslacht en het lijk verscheidene dagen bewaakt, op dat hetzelve niet zoude worden weggehaald en begraven:

op welke informatie zijne excellentie aan den minister aan het hof van den keizer te Souracarta de last gegeven heeft om te zorgen, dat meermelde ingebei uit zijne dessa werd gelicht, de dessa zelve verbrand en de rijksbestierder aan voorschreven hof, onder te kennengave van het hoogst ongenoegen van zijne excellentie, zoo over het bedrijf van dien ingebei, als over de herhaalde hostiliteiten der Solosche onderdanen op 's gouvernements territoir, verder verantwoordelijk gesteld, dat de grenzen van dergerlijke, slechte hoofden werden gezuiverd; en daarna op het ontvangen rapport van welmelden minister in dato 27 van Slachtmaand jongstleden, dat meermelde ingebei op last van den Keizer geapprehendeerd en naar Solo in hechtenis was overgebracht, hem, minister, heeft geautoriseerd om als plichtmatige voldoening van het Hollandsche gouvernement over den euvelmoed, door gedachten ingebei bedreven, bij den Keizer op de doodstraffe van denzelve aan te dringen en den rijksbestierder verantwoordelijk te houden voor het echaperen van den ingebei, ofschoon zijn broeder zijnde en door het huwelijk aan een der voornaamste regênten van Soerakarta verwant;

welke aanschrijving sedert is gevolgd door eene nadere kennisgave van den minister te Soerakarta bij brief van den 6^{en} van Wintermaand, houdende, dat de Keizer geen oogenblik geaarseld had om aan den eisch van zijne excellentie te voldoen en dadelijk het besluit had genomen om den ingebei Djaing Patty met ballingschap naar het landschap Ajie te straffen, hetwelk de leuze was van het doodvonnis tegen alle misdadigers, die uithoofde van hooge geboorte of afkomst niet openlijk werden terecht gesteld, als wordende in zoodanig geval onderweg naar gemeld landschap gewurgd of gesteenigd, waarin door zijne excellentie is berust, mits de executie door den secretaris of iemand van zijnentwege werd bijgewoond;

en alsnu door zijne excellentie ontvangen zijnde eene missive van meermelden Minister aan 's Keizershof dd. 5 dezer, houdende aanbieding van en referte tot een daarbij overgelegd extract uit een aan hem geschreven brief door zijnen secretaris, Servatius, blijkens hetwelke hij, secretaris, aan den rijksbestuurder te Soerakarta, ingevolge het verlangen van zijne excellentie den Maarschalk en Gouverneur Generaal, gecommuniceerd hebbende, dat de luitenant-adjudant Dezentje de commissie zoude vergezellen, die door Zijne Hoogheid den Keizer tot de uitvoering der doodstraf aan den ingebei van Dalimaas, Djaing Pattij, zoude worden afgezonden, daarop de verzekering van den rijksbestierder had erlangd, dat hij hem van den tijd van het vertrek der gedachte commisie zoude prevenieren, dan dat, in stede van deze zijne verplichting en belofte na te komen, gemelde secretaris kort daarna tot zijne uiterste bevreemding van Zijne Hoogheid den Keizer had vernomen, dat de voorschreven commisie bereeds eenige dagen

7.15

// was vertrokken, op welk berigt hij zijne verwondering aan den vorst had te kennen gegeven over het in dezen door den rijksbestierder gehouden, strafwaardig gedrag en met genoemden vorst was overeengekomen den adjudant Dezentje alsnog ten eerste te doen vertrekken ten einde, des mogelijk, de commisie in te halen en aan de hem opgedragen last te kunnen beantwoorden, waartoe hij door Zijne Hoogheid den Keizer was gemunieerd geworden met een open brief van geleide aan den hoofd regent van het district, werwaarts de commissie vertrokken was, houdende last om, bij aldien de executie van den ingebei Djaing Pattij bij aankomst van gedachten adjudant nog niet was volbracht, dezelve alsdan in zijne presentie te laten ten uitvoer brengen en in contrarie geval aanwijzing te doen van de plaats, waar de strafoefening was geschied, gelijk mede van de personen, die het vonnis uitgevoerd, en van degeenen, die daarbij als getuigen waren tegenwoordig geweest, mitsgaders van de plaats, alwaar gedachte ingebei was begraven;

overwegende, dat, hoewel het gouvernement alle reden heeft van tevreden te zijn over de conduite, in dezen door Zijne Hoogheid den Keizer gehouden, en door de laatstelijk genomen maatregel zich misschien nog zekerheid zal kunnen verschaffen, dat aan hare vordering na behooren is voldaan, nogtans het gedrag van den rijksbestuurder zoo allezins slecht, misleidend en trouwloos is en zoovele blijken draagt van onverschilligheid en ontrouw voor de belangen van Zijne Majesteit den Koning van Holland, onaangezien hij, als rijksbestuurder, tot hoogst denzelve in een gelijke betrekking staat als tot Zijne Hoogheid den Keizer en bij plechtigen eede zich tot trouw en gehoorzaamheid aan het gouvernement verbonden heeft, dat hij zich geheel onwaardig en ongeschikt heeft gemaakt om een oogenblik langer zijne functien als rijksbestuurder van wegens dit gouvernement te kunnen bekleeden of verder admissibel is om de interprete te zijn van den Keizer bij het gouvernement;

heeft besloten voormelden rijksbestuurder vervallen te ver-

klaren van zijne waardigheid, voor zoover het Hollandsche gouvernement betreft, met verbod aan den minister te Soerakarta om hem daarin verder te erkennen en met last om van deze dispositie aan Zijne Hoogheid den Keizer kennis te geven, zoowel als dat zijne excellentie van hoog genoemden vorst vertrouwt, dat hij volkomen de billijkheid en noodzakelijkheid van dezen maatregel zal toestemmen en met geen minder indignatie als zijne excellentie over de schandelijke conduite van welmelden rijksbestuurder zal zijn vervuld en, gevoelende, dat het gouvernement gedachten rijksbestierder niet meer in deze zijne qualiteit kan admitteeren, zelfs niet als interprete van den vorst, mede van zijne zijde tot het ontslag van den meergedachten rijksbestuurder zal coöpereren en een ander, vigilant regent tot rijksbestuurder aan zijne excellentie zal voordragen, die zoowel het vertrouwen van hoogst denzelve als van Zijne Hoogheid waardig is.

Zijne excellentie, gezien het adres van den kolonel en chef der cavallerie, Gerlach, daarbij te kennen gevende, dat na gedane monstering de compagnie Javaansche cavallerie van den hoofd-regent te Samarang is bevonden te bestaan uit:

3 officieren,
4 wagtmeesters,
6 brigadiers,
2 tamboers,
2 pijpers,
54 dragonders en 66 paarden;

welke alle nog voor den dienst van den Lande zouden emploijabel zijn, indien hunne wapenrusting wierd veranderd, als zijnde ten eenemaal ongeschikt voor een cavallerist;

heeft besloten de gedachte compagnie Javaansche cavallerie, te zamen uitmakende een getal van 71 koppen en 66 paarden, bij het regiment cavalerie van den kolonel, Gerlach, te incorporeren.

Zijne excellentie, legaal ter kennis gekomen zijnde, dat de Javaansche Prins te Souracarta, Ario Praboe Prang Wedono, door het onthouden aan denzelven van een groot gedeelte der erfenis van wijlen zijnen in 1795 overleden groot vader, den pangeran adipattij Amangcoe Negoro, en door de verpligting om zijnen staat op te houden overeenkomstig met deszelfs geboorte en met de betrekking,

waarin hij zich geplaatst vindt, genooddrongen geworden is, buiten de schulden, die hij reeds voor het jaar 1795 had gemaakt, nog nadere te contracteren, welke successive zoodanig zijn opgeklommen en vermeerdert, dat dezelve hem geworden zijn tot een ondragelijke last uithoofde van het misbruik, 't geen de geldschieters van zijne situatie hebben gemaakt, door zeer ongehoorde renten te bedingen, die voormelde Prins het vooruitzicht afsnijden om immer uit voormelde zijne schulden te geraken;

en in aanmerking nemende, dat de crediteuren van voornoemden Javaanschen Prins alle zijn onderdanen van dit gouvernement, aan wien het volgens de wetten dezer kolonie niet vergunt is eene hogere interest te nemen als uiterlijk van negen ten honderd 's jaars; dat dienvolgende diezelfde wetten hun tot eene teruggave van gedachte, te hoog berekende interessen zouden verpligten van den tijd af aan, dat dezelve bij hen genoten zijn, indien de Prins Ario Praboe Prang Wedono verkoos zijn regt daar omtrent tegen hun te doen gelden; dan dat, ofschoon zij hier tegen een waarborg vinden in de eerlijke sentimenten van voornoemden Prins, nogtans de onmogelijkheid, waartoe dezelve gebragt is om, bij voortduring van deze hooge renten, zijne gedachte schulden te verevenen, gelijk anders zijn ernstig verlangen is, het gouvernement niet onverschillig kan doen aanzien de gedelabreerde situatie, waartoe gemelde Prins door eene allezins wraakbare winzucht zijner crediteuren in zijne finantiele omstandigheden is vervallen, te minder, daar die Prins zich altijd door een opregt attachement voor het Hollandsche gouvernement heeft onderscheiden en daarom ook steeds, sedert de komst van zijne excellentie in deze kolonie, de hand is boven het hoofd gehouden, mitsgaders de tusschenkomst van het gouvernement voor hem het eenige redmiddel is tot zijn behoud en om niet nog dieper onder zijne schulden bedolven te worden; trouwens dat, onverminderd deze consideratiën, de verklaarde afkeer van het gouvernement tegen alle vexatiën van den inlander en de principes van billijkheid en regtvaardigheid uit zich zelfs de verpligting doen ontstaan om de woeker van gewetenloze geldschieters te bedwingen en de wetten te doen spreken, waar zij door onverzadelijke hebzucht en door uit nood en onkunde verkregen toegevenheid tot zwijgen waren gebragt;

heeft besloten alle de crediteuren van den Prins Ario Praboe Prang Wedono te gelasten hunne pretensiën, zoo aan kapitaal, als achterstallige renten, op te geven aan den minister te Souracarta binnen den tijd van een maand, nadat dit besluit te Souracarta zal wezen bekend gemaakt, onder overlegging van de schuldbrieven, sub poene van nulliteit voor zoodanige pretensiën. welke niet in den loop van dit termijn op den voorschreven voet zullen wezen aangegeven;

dat wijders op deze pretensiën, zoo voor de nog achterstallige renten, als voor het vervolg, geen hooger interest zal worden gevalideert als van zes ten honderd 's jaars, zijnde de ordinaire rente, welke gewoonlijk wordt genomen;

dat het montant van negen en dertig duizend acht honderd Spaansche matten, zilver geld, hetgeen de gevolmagtigdens der executeuren van wijlen den gewezen Java's gouverneur en voormaligen eersten resident te Souracarta, van Reede tot de Parkeler, bij de besluiten van den 31en van Louwmaand 1809 en den 20en van Louwmaand jongstleden gelast zijn, als het wettig erfdeel van den Prins Ario Praboe Prang Wedono, in 's Lands kas te storten, zal worden aangehouden om daaruit proportionele afbetalingen aan zijne crediteuren te assigneren; dat wijders aan welmelde crediteuren nieuwe schuldbrieven zullen worden afgegeven, te weten ten laste van het Land, voor zoover het voorschreven erfdeel en de hem daaruit toegedachte proportionele afbetalingen betreft, en ten laste van den pangerang Ario Praboe Prang Wedono voor het montant, hetgeen zijne crediteuren meerder op hem te pretenderen hebben, rentende zes ten honderd 's jaars, welke schuldbewijzen ten laste van het Land verevend zullen worden, zoodra de staat der kas de aflossing daarvan zal gedogen;

en dat wijders de minister te Souracarta, onder de nadere approbatie van zijne excellentie, de noodige schikkingen zal maken omtrent de dan nog overblijvende schulden van gemelden Prins, ten dien effecte, dat dezelve binnen den tijd van vijftien jaren finaal zijn geliquideert, waartoe zijne revenuen voldoende zijn geoordeelt.

23 Louwmaand. *Pluk-loon van koffij.*

Uit een besluit van dezen datum blijkt, dat dit loon bedroeg 1/3 van het product voor helpers bij het plukken, afkomstig uit andere districten dan die, waarin de koffij was geoogst.

In het district Adiarsa (Krawang) moest elk huisgezin van acht, bij name genoemde desa's 3900 koffij-boomen onderhouden, maar bleef »vooreerst" van nieuwen aanplant verschoond.

De drossaard dier ommelanden deelde aan de Regering mede, »dat, vermits aan zijnen post de werkzaamheden, welke bevorens aan den gecommitteerde over den inlander behoorden, zijn vervallen, door hem in navolging van het gebruik eenige kleine voordeelen, daaraan verbonden, voor het verleenen van passen en licentie-briefjes, als om in de rivieren Crawang en Tjidanie te mogen varen, hetzij om te handelen, dan wel om zout, etc. te koopen, tot het houden van warongs, tot het spelen van ronggengs, voor het merken van geweren, enz., waren gecolligeerd tot circa rd^s 500 's jaars, doch dat, sedert een gedeelte van het Crawangsche aan de ommelanden was gevoegd, deze voordeelen 's jaars tot rd^s 1000 waren gestegen; dat hij deze gelden niet voor zich had behouden, maar daarvan de ongelden voor het kantoor, douceur voor den boekbinder, voor het afnemen van eeden, etc. en het overige onder zijne drie klerken had doen verdeelen, met verzoek, dat hiermede mogt worden gecontinueerd op de voorschreven wijze om daaruit te vinden de hier bovengemelde kleine uitgaven dan wel, ingeval hieromtrent anders mogt worden gedisponeerd, aan hem de kanalen werden aangewezen, waaruit hij de voorschreven, aan zijn ambt verknogte ongelden konde goedmaken, en aan zijne drie klerken, welke te zamen rd^s 100 's maands genoten, een vermeerdering van tractement werde toegelegd; mede te kennen gevende, dat bevorens, wanneer de opgezetenen der ommelanden onder den gecommitteerde over den inlander sorteerden, dezelve door de inlandsche

kommandanten te Batavia wierden getrouwd; dat hij hiermede, ofschoon de ommelanden van de jurisdictie van Batavia afgescheiden waren en de kommandanten dus niet meer met dezelve te doen hebben, had laten continueeren op den ouden voet tot in den aanvang van dit jaar, wanneer in de gewone trouwmaand der inlanders de veele verzoeken om gedispenceerd te wezen om te trouwen bij de kommandanten, aan hem gedaan, vermits de inlanders gedrukt werden door de willekeurige afvorderingen der gedagte kommandanten, hem, drossaard, dit had gedefereerd doen laten aan deszelfs secretaris en schout en aan deze volgens art. 32 der instructie voor Boedelmeesteren gepermitteerd voor ieder gehuwd paar rd^s 3 te declareeren, ingeval dit konde worden betaald, en anders om niet, waarvoor man en vrouw ieder een acte wierd verleend, geschreven op een zegel van 6 stuivers, en met welke schikking de inlanders zeer tevreden schenen te wezen en hem verzogt hadden, dat de schouten, ieder in hun district, daartoe mogten worden geauthoriseerd; gevende de drossaard wijders in consideratie, of het niet nuttig en noodig zoude wezen, dat de getrouwde heden werden ingeschreven om daardoor alle questiën voor te komen en, dit geadopteerd wordende, de schouten, ieder in zijn kwartier, onder het genot van een gering salaris daarmede werden belast".

HB II extremely Indignant about ~~affair~~ actions of PB IV
sees it as a way of putting bad blood between
HB II + Daendels
also Remembrance of misunderstandings of year 1808.
which HB II / DR II blame on PB IV

as proof of PB IV's attempt to champion friendship + Daendels
points out letter of ~~Cakranagara~~ Danuningrat to DR II
in which Daendels' referred to as 'Brother' of PB IV
whereas should have referred to Daendels as 'grandfather'

(note of Daendels = would await a few more days to see if affair could be clarified further – would leave resolution of affair to Sultan/Sunan. + each should appoint a commission to inquire into truth of affair.)

HB II asked what satisfaction prepared to give to PB IV concerning affair of Rangga.

But after Report of Rangga = seems that acted within his rights to strike down 3 well-known Robbers.
∴ until further reports from Solo to contrary would accept that story as correct.

∴ would await further Instructions from Daendels

Dear Peter,

The correct text is clearly 'Nulla salus bello; pax optima rerum' ('There is no safety [or 'deliverance'] in war; peace is the best of things').

This is a cento of phrases from two authors of Latin epic: 'nulla salus bello' is from Virgil, Aeneid 11.362 (repeated at 399); 'pax optima rerum' from Silius Italicus, Punica 11.592.

If you look up each phrase separately on Google, you will see that they are (or have been) both quite well known. But Google offers no hits for the combination of the two.

Best wishes,

Peter

for religious tolerance can be associated with political and social needs in terms of ensuring the ~~maintance~~ maintenance of a large workforce. This is particularly true in the case of Pennsylvania whereby the immigration by persecuted minorities, particularly German Protestants and French Huguenots was actively encouraged in order to maintain an workforce of white indentured servants and not ~~[illegible]~~ become subject to the mass appropriation of black slaves which was proving destabilizing in neighbouring New York. In addition to this, tolerance of religious minorities in the British American colonies can be seen as a direct reflection of British policy and encouragement, thus further implying that religious tolerance, when seen as socially and politically beneficial or when part of an ideology, can result as much from strong as from weak government.

eeds

To understand religious tolerance, it is thus important to contextualise the nature of a political machinery or a society. Although defined religious intolerance can be associated with ~~increased~~ sophistication of a persecuting mechanism or legislation, religious tolerance – defined by legislation such as in the colonies, can also result from decisive political action ~~of~~ or communitarian decision. In each case therefore, the nature of the tolerated – what they have to offer or what ~~they~~ threats they may cause to society in terms of political ~~of~~ doctrinal action – must be taken into account as much as the nature of tolerance itself

Younger brother Tumĕnggung Natadiningrat, I beg leave to inform you, that I now wish to take my leave from you in order to lead a roving life, intending ~~(and) have the plan~~ to destroy those who consistently ~~are acting~~ deceive ~~treacherously towards~~ the Javanese, because it is in the name of the (Dutch) government, even though they too are ~~if they are also~~ Javanese (who act thus), I will indeed pick and choose those who ~~are attempting to bring about~~ my destruction by me(?); indeed I will certainly ~~not fail to~~ destroy ~~annihilate~~ them, such as the territories of ~~if (kadosta !) they are~~ Surakarta ~~inhabitants~~ or of ~~or from~~ the north coast (pasisir) areas, I will quickly usurp them all ~~immediately plunder them all~~, ~~(ngrayud - GR, vol.I, p.557)~~, so that if possible I will ~~be able to~~ set them against the government and steal the items ~~using the weapons~~ of Surakarta. Moreover ~~after my departure~~ it is you who must watch over the court of Yogyakarta in a proper manner [illegible] ~~, you must take the necessary steps, younger brother, to watch over the court of Yogyakarta, so that (those in the) Yogyakarta fort and the Surakarta kraton, when once I have plundered the areas under their (Dutch and Surakarta) administration, they must not be~~

Furthermore I am absolutely not [illegible] against His Highness [illegible]

~~am able to do harm to the (sultan's) court.~~ Moreover, I ~~have entirely no desire to act rebelliously to His Highness~~ (sampeyan dalem), (and)
and almost served (?) the royal blessing which I beseech

who were warrior-kings,
the blessings of the royal ancestors who ~~expressed the wish to become rulers in battle~~ (~~ratu pinarjurit~~), but His Highness should not proceed
And don't let it go so far that it should transpire that His Highness
~~to~~ entertain the wish to cause me misery (adamel ing ~~kemlaratan kula~~),
For truth, I really
take away
and I beg this keenly, for ~~I really and truthfully~~ intend to ~~pluck out~~ the uncleanness from Java, ~~(and) it would be just my devout wish that I could do something which could be good for His Highness' court and would cause his heart pleasure.~~
and will thank God more if I can
do that which will bring good to the court and pleasure to
His Highness' heart.

This

CP answers that suspicion of Daendels understandable
because HB II far too attached to Rangga.

But after flight of Rangga:
HB II v. bitter towards him.
+ CP certain HB II no prior knowledge of Rangga's flight.
or that Rangga would leave letters for NS/SP.

NK would remain peaceful.

CP says NK summoned various times after Rangga's

But HB II places no restrictions on NK.

Daendels to HB II

(Kamalaka.)

HB II to be allowed to keep up 3,200 troops
which could be increased to 15-20,000
in case of war.

HB II to Daendels,
28 Dec. 1810
Fri. 1 Besar

Receives D's letter of 27 Dec.
agrees + D that had not informed him soon
enough of flight of R. Rangga
(according to complaint
made through DR II)
Hopes that now R/SN dead
D would excuse him.

DR II informs HB II that NK/ND had been sent to Bogor
~~for~~ to ensure peace of HB II's kraton.
HB II sends thanks.

D says would make a proposition to HB II
which would bring good fortune to HB II's
family
(i.e. abdication)
HB II wishes to
hear this proposal.
D wishes to conclude agreement + HB II
for peace of Java.

[illegible]

Daendels to HB II
Semarang
23 Dec. 1810

Receives 3 letters of HB II all written on 13 Dec. 1810
in reply to D's letters of 24/25 Nov
5 Dec.

HB II acknowledges he had been
dupe of NK/Rangga.

Daendels +
all Europeans who know court - convinced that
peace of Java in more jeopardy as
HB II gets older.

Because of suspicious character of HB II

out of politeness D refrains from mentioning
most dangerous person at court Ratu Kencana wulan.
who was angling to get NP
appointed as CP.

Peace of Java more in danger
if Ratu Kencana, so advanced in pregnancy
should have a son.
then CP might be put aside

Jealousy / suspicion increases in old age.
If situation remains as such in Yogya
peace in Java + prosperity of HB II's court could not
be guaranteed.

∴ HB II should seek for
ways of putting danger aside

∴ HB II should place crown in hands of Daendels
who would ~~put~~ give it to CP.

would bring good fortune. to Royal House.

Daendels would come to Yogya to receive reply
but would hold himself strictly
incognito.
+ all ceremonial
to be waived.
during D's visit.

HB II to Daendels,
4 Besar, 1737.
31 Dec. 1810.

Thanks D for letter - agrees to hand over
govrmt to his son
CP.

+ would make change known to
all HB II's subjects in Yogya.

Daendels to HB II,
2 Jan 1811

D wishes to remove HB II from Kraton
to protect CP Regent from any undue influence.

But CP pleads that father should be allowed to remain in
Kraton.

20 Julij. *Maatregelen ter bevordering van de kennis der Javaansche taal bij civiele ambtenaren.*

De Gouverneur Generaal, in overweging genomen hebbende, dat het allernuttigst zoude zijn, dat de Javaansche taal meer en grondig bij sommige van 's Lands ambtenaren bekend ware en dat het leeren van talen in gevorderde jaren moeilijk, doch voor de jeugd zeer faciel is;

overwegende, dat de residentiën van den Sousouhounang en den Sultan als niet ongeschikt om de Javaansche taal te leeren moeten geacht worden;

overwegende, dat de élèves, die het gouvernement zoude willen bestemmen tot het leeren van die taal, onder behoorlijk opzicht dienen te zijn en hiertoe als bijzonder geschikt kunnen geacht worden de ministers aan de hoven en hunne secretarissen, maar, dat dan ook de jongelingen tot de fatsoenlijke klasse dienen te behooren, zoowel om bij den minister te kunnen inwonen, als om omgang te kunnen hebben met de jongelingen uit de beide vorstelijke huizen;

heeft besloten:

1° ieder der ministers, zoo te Souracarta, als te Djocjocarta, toe te voegen een of twee jongelingen, onder de benaming van élèves voor het civiele;

2° om tot élève te kunnen benoemd worden zullen de jongelingen boven de twaalf en beneden de veertien jaren oud moeten zijn, voor het tegenwoordige de Hollandsche taal moeten kunnen lezen en schrijven, maar over twee jaren niet benoembaar zijn, indien dezelve mede niet de Fransche taal magtig zijn;

3° deze civiele élèves zullen bij de respective ministers gehuisvest zijn en onder derzelver onmiddelijke orders en toeverzigt staan en de ministers of hunne secretarissen zullen deze jongelingen niet verder in de Fransche en Hollandsche talen doen werken als tot onderhouding derzelve volstrekt noodig is, terwijl dezelve bijzonder zullen trachten de élèves, zooveel doenlijk, te doen omgaan met jonge Javanen van het vorstelijke geslagt, immers van de 's Lands grooten, ten einde die taal zich eigen te maken, de inlandsche zeden te leeren kennen en de hebbelijkheid te krijgen op eene aangename wijze, maar met bewaring van de Europeesche superioriteit, met de Javanen om te gaan;

4° telken drie maanden zal de minister een omstandig verslag over de civiele élèves aan den Gouverneur Generaal inzenden, houdende met zijne opinie over derzelver zielsvermogens, hoe de gedragingen dezer jongelingen zijn, welke vorderingen zij in de drie afgelopene maanden hebben gemaakt, met welke bezigheden zij gedurende dit tijdstip zich hebben onledig gehouden, met welke jonge Javanen zij den meesten omgang hebben gehad, of zij aankondigen geschiktheid te zullen hebben met de Javanen om te gaan en invloed op dezelve te bekomen;

5° zoodra de élèves slechts eenige vorderingen in het schrijven der Javaansche taal gemaakt hebben, zullen altoos bij het verslag, bij articul 4 omschreven, proeven van hun eigen werk ten blijke worden overlegd;

6° de élèves zullen een costume hebben van effen laken van de couleur als dat der ministers en alleen op de kraag en opslagen zal een smal borduursel zijn;

7° de élèves, de eer hebbende van bij den minister in te wonen en slechts kleine behoeftens daar te boven kunnende hebben, zullen aan tractement genieten dertig rijksdaalders, zilver geld, 's maands;

8° de ministers, des begeerende, zullende bij het einde van het jaar eene declaratie kunnen inzenden van de geringe, meerdere uitgaven, die het onderhoud van de élèves hun zoude mogen veroorzaken;

This suggests the obvious propriety of endeavouring as soon as possible to establish an intercourse between the English and the two principal chiefs of the interior of Java, the Susuhunang of Solo, or Carta Sura, and the Sultan of Mataram without the permission or rather the co-operation of whom, it would be impossible either for the Marshal's army either to take post amid the mountains, or by that way

20 Julij. *Maatregelen ter bevordering van de kennis der Javaansche taal bij civiele ambtenaren.*

De Gouverneur Generaal, in overweging genomen hebbende, dat het allernuttigst zoude zijn, dat de Javaansche taal meer en grondig bij sommige van 's Lands ambtenaren bekend ware en dat het leeren van talen in gevorderde jaren moeilijk, doch voor de jeugd zeer faciel is;

overwegende, dat de residentiën van den Sousouhounang en den Sultan als niet ongeschikt om de Javaansche taal te leeren moeten geacht worden;

overwegende, dat de élèves, die het gouvernement zoude willen bestemmen tot het leeren van die taal, onder behoorlijk opzicht dienen te zijn en hiertoe als bijzonder geschikt kunnen geacht worden de ministers aan de hoven en hunne secretarissen, maar, dat dan ook de jongelingen tot de fatsoenlijke klasse dienen te behooren, zoowel om bij den minister te kunnen inwonen, als om omgang te kunnen hebben met de jongelingen uit de beide vorstelijke huizen;

heeft besloten:

1° ieder der ministers, zoo te Souracarta, als te Djocjocarta, toe te voegen een of twee jongelingen, onder de benaming van élèves voor het civiele;

2° om tot élève te kunnen benoemd worden zullen de jongelingen boven de twaalf en beneden de veertien jaren oud moeten zijn, voor het tegenwoordige de Hollandsche taal moeten kunnen lezen en schrijven, maar over twee jaren niet benoembaar zijn, indien dezelve mede niet de Fransche taal magtig zijn;

Élèves voor het civiele

3° deze civiele élèves zullen bij de respective ministers gehuisvest zijn en onder derzelver onmiddelijke orders en toeverzigt staan en de ministers of hunne secretarissen zullen deze jongelingen niet verder in de Fransche en Hollandsche talen doen werken als tot onderhouding derzelve volstrekt noodig is, terwijl dezelve bijzonder zullen trachten de élèves, zooveel doenlijk, te doen omgaan met jonge Javanen van het vorstelijke geslagt, immers van de 's Lands grooten, ten einde die taal zich eigen te maken, de inlandsche zeden te leeren kennen en de hebbelijkheid te krijgen op eene aangename wijze, maar met bewaring van de Europeesche superioriteit, met de Javanen om te gaan;

4° telken drie maanden zal de minister een omstandig verslag over de civiele élèves aan den Gouverneur Generaal inzenden, houdende met zijne opinie over derzelver zielsvermogens, hoe de gedragingen dezer jongelingen zijn, welke vorderingen zij in de drie afgelopene maanden hebben gemaakt, met welke bezigheden zij gedurende dit tijdstip zich hebben onledig gehouden, met welke jonge Javanen zij den meesten omgang hebben gehad, of zij aankondigen geschiktheid te zullen hebben met de Javanen om te gaan en invloed op dezelve te bekomen;

5° zoodra de élèves slechts eenige vorderingen in het schrijven der Javaansche taal gemaakt hebben, zullen altoos bij het verslag, bij articul 4 omschreven, proeven van hun eigen werk ten blijke worden overlegd;

6° de élèves zullen een costume hebben van effen laken van de couleur als dat der ministers en alleen op de kraag en opslagen zal een smal borduursel zijn;

7° de élèves, de eer hebbende van bij den minister in te wonen en slechts kleine behoeftens daar te boven kunnende hebben, zullen aan tractement genieten dertig rijks daalders, zilver geld, 's maands;

DE HOUDING DER NEDERLANDSCHE AMBTENAREN TIJDENS DE VEROVERING VAN JAVA DOOR DE ENGELSCHEN.

4 Aug.
Brit landing

4 Augustus 1811 landden de eerste Engelsche troepenafdeelingen in de baai van Batavia; zes dagen later waren Batavia en Weltevreden door hen bezet; reeds den 26sten Augustus viel het versterkte kamp van Meester-Cornelis en kort daarop, den 18den September, was de door Napoleon uitgezonden Gouverneur-Generaal Janssens, die zich via Buitenzorg naar Semarang had teruggetrokken, genoodzaakt de capitulatie van Kali Toentang te teekenen. Eén van de artikelen van deze onder zulke ongunstige omstandigheden gesloten overeenkomst bepaalde, dat de Nederlandsche (of als men wil Fransche) burgerlijke functionarissen desgevraagd hun werkzaamheden zouden blijven uitoefenen, totdat zij vervangen zouden worden door ambtenaren aangesteld door het Britsche Gouvernement.

Deze overgangsbepaling in de capitulatie wijst eenerzijds op een gebrek aan Engelsche administratieve krachten — en dit is zoo gebleven tot aan het einde van het zoogenaamde Engelsche Tusschenbestuur — anderzijds op de omstandigheid, dat een deel van de toenmalige Indische ambtenarij niet-ongenegen was, in dienst van den nieuwen machthebber op Java over te gaan. Inderdaad was begrijpelijkerwijze onder de „Hollanders van de oude constitutie" de sympathie voor de Engelschen, die voor hen de tegenvoeters waren van de nieuwe Fransche orde, zeker niet gering. Uit een geheimen brief van Janssens van Juni 1811, gericht aan den Franschen Minister van Koloniën, bleek reeds, dat de Europeanen „de kolonie in de handen van den vijand (wenschen) te zien, opdat een bestuur, dat allen verbittert, een eind zou nemen" [1]).

Maar desalniettemin hadden ook deze ambtenaren — die niet weinig in aantal waren — trouw gezworen aan Keizer Napoleon, en de innerlijke tweestrijd, waarin vele Hollandsche functionarissen moeten hebben gestaan tijdens en vlak na den overgang van Java in handen der Engelsche Compagnie kan ook reeds een kort en noodwendig oppervlakkig onderzoek als dit belangwekkend maken.

Door Janssens waren uiteraard de noodige maatregelen genomen om te voorkomen, dat overloopen naar den officieelen vijand —

die echter, blijkens zijn eigen proclamatie bij de landing uitgevaardigd, als „den vriend, en niet als den vijand der Hollandsche ingezetenen" naar deze gewesten was gekomen — al te gemakkelijk zou zijn. Bij zijn besluit van 2 Augustus 1811 had hij bepaald „dat alle hooge en mindere collegiën, alle civiele ambtenaren en alle gewezen civiele en militaire geëmployeerden zullen moeten retireren en zich steeds bevinden drie uren achter de armée". Degenen, die „onze goede verwachting in dezen onverhooptelijk mogten te leur stellen en in eenigerlei manier van deze bevelen kwamen af te wijken", zouden voor een militaire commissie terecht staan en zoonoodig met den dood gestraft worden „gelijk mede met den dood strafbaar zullen zijn allen, die zullen bevonden worden ongunstige tijdingen uitgestrooid, volksverzamelingen veroorzaakt of valsche alarmen gemaakt te hebben" [2]).

Proclamatie Aug 181

Deze noodzakelijke oorlogsmaatregel werd nader toegelicht in den brief, die Janssens 10 Augustus 1811 — op den dag der bezetting van Weltevreden — aan den Landdrost van Batavia en ook aan diens ambtgenooten op andere plaatsen heeft gericht. „Men tracht ongerustheid — schreef de Gouverneur-Generaal — te geven aan diegenen, die aan 's lands dienst verbonden zijn, en aan den stelligen last van het gouvernement en hunne geheiligste verplichtingen voldoende, het weinig uitgestrekt territoir hebben verlaten, waarvan de vijand meester is'.

„Deze ongerustheid komt uit de verspreiding voort (van het gerucht), dat de vijandelijke generaal zoude gedreigt hebben, dat van diegenen, die niet naar derzelver woningen bij Batavia terugkeeren, hunne aldaar liggende goederen zouden worden geconfisceerd."

„Het is mogelijk, mijnheer de landdrost, dat het den Engelschen generaal niet ongevallig is, dat men zulks zegt en gelooft".

„Ik ben verwagtend, dat de vijand ons al dat nadeel zal tragten toe te brengen, waar de staat van oorlog maar eenigssinds regt toe geeft; dan het zoude eene groove beleediging, aan den militairen stand in het algemeen aangedaan zijn slegts voor een oogenblik te veronderstellen, dat de generaal Auchmuty in staat zoude zijn te willen berooven en mishandelen diegenen, die naarkomen, hetgeen eed en pligt hun gebieden; en, mogt zulk eene afgrijselijke en veragtelijke zedeleer bestaan, waaraan ik voorwaar geen het minste geloof hegte, dan nog moet een ieder aan den eed, ter naarkoming van welke hij het Opperwezen heeft ingeroepen, getrouw zijn; en het wettige gouvernement zal een dag alle diegeenen, die verliesen door pligtbetragting lijden, ten vollen indemniseren; mogten er onverlaten gevonden worden, voor wien deugt, eer, eed en pligt geene genoegzame waarborgen waren, deezen, — ik zweer het, zoo waar God leeft, — deezen zullen eens de wraak ondervinden van eene regering, die geen ander doel heeft, geen ander belang steld als in het bevorderen van het geluk van diegeenen, die aan zijne zorg zijn aanbevolen" ......

[2]) Mr. van der Chijs, N. I. Plakkaatboek, deel XVI, pag. 725.

„Ik ben in het algemeen over de 's Lands ambtenaren tevreeden en verlaat mij op de onkreukbaarheid hunner trouw; maar, indien er eedverkreekers mogten bestaan, die na hunne wooningen waaren terug gekeert, zoo noodige ik u mij dezelve onverwijld te doen kennen" 3).

Doch zou het niet lang duren, of tegen den eersten „eedverbreker" moesten de noodige maatregelen worden genomen. Het was het lid van den Hoogen Raad van Justitie te Batavia M. W. Keuchenius, dat zich naar het door de Engelschen bezette gebied had begeven en des te erger was dit, omdat juist deze functionaris zich gestadig beroemd had „als van jaren herwaarts met ijver de Fransche belangen toegedaan te zijn geweest en onveranderlijk te zijn gebleven, terwijl hij bij gesprekken en geschriften de eer der braafste rijksdienaren zocht te bezwalken door dezelve als Engelsch-gezinden te willen doen voorkomen" 4). Bij verstek werd dezen eedsverbreker vervallen verklaard van zijn betrekking en voorts uitgemaakt voor „verrader, meineedig, eerloos en infaam, terwijl, zoodra de gelegenheid zich daartoe zal opdoen, de advocaat-fiscaal gehouden zal zijn hem crimineel in rechten te vervolgen, ten einde deze booswigt geregtelijk geoordeeld en gestraft mag worden" 4).

Deze onverkwikkelijke affaire speelde zich af vóór het in feite beslissende gevecht bij Meester-Cornelis. Toen echter deze versterking op den 26sten Augustus door de Engelschen genomen was en Janssens slechts met enkele getrouwen naar Buitenzorg was ontkomen, was er voor de Engelschen geen reden meer om de verovering van Java niet als geslaagd te beschouwen. Aan Fransche zijde was immers geen militaire macht meer van eenige beteekenis aan te wijzen. Al spoedig werd overgegaan tot de inrichting van een voorloopig burgerlijk bestuur te Batavia, waartoe de medewerking werd ingeroepen van de aldaar aanwezige of na het

gevecht bij Meester-Cornelis teruggekomen Hollandsche ambtenaren.

Was de toestand van het Engelsche standpunt uit gezien, eenvoudig en duidelijk, anders was het met de Hollandsche functionarissen te Batavia gesteld. Om het dilemma, waarvoor zij zich gesteld vonden te illustreeren, is de houding in die dagen aangenomen door den President van den Hoogen Raad van Justitie, Mr. H. W. Muntinghe, een goed voorbeeld. Deze had namelijk aan Janssens de belofte afgelegd — en eenzelfde belofte moet redelijkerwijs ook door de overige ambtenaren afgelegd zijn — om „geen actieve dienst aan het Britsche Gouvernement te zullen bewijzen, zoolang zich de Fransche wapenen nog op eenig gedeelte van het eiland zouden staande houden" 5).

Op 11 September 1811 — dus ongeveer twee weken na het gevecht bij Meester Cornelis en één week voor de capitulatie van Kali Toentang — werd een aantal hooge Hollandsche functionarissen, waaronder Muntinghe, uitgenoodigd ten Gouvernementshuize op Molenvliet te verschijnen, waar hen door Lord Minto, den toenmaligen Gouverneur-Generaal van Britsch-Indië, op plechtige wijze mededeeling werd gedaan van de verovering van Java, zoomede van eenige maatregelen, die voorloopig door Minto waren genomen ter voorziening in het bestuur. Deze hielden o.m. in, dat den „President, Vice-President, Leden en officieren van den Hoogen Raad van Justitie benevens meer andere Kollegien en Ambtenaren gelast (werd), om provisioneel de pligten en functien van hunne onderscheidene ambten en betrekkingen te blijven uitoefenen en waarnemen" 6).

Bij die gelegenheid heeft klaarblijkelijk geen der aanwezige Hollanders een woord durven zeggen, maar den volgenden dag vervoegde Muntinghe zich bij den Luitenant-Gouverneur Raffles om hem zijn bezwaren, die voortvloeiden uit de door hem aan Janssens afgelegde belofte, kenbaar te maken, waarop Raffles hem toestond voorloopig „de gewone werkzaamheden van den hoogen Raad nog te laten stilstaan en deszelfs werkzaamheden alleen te bepalen tot hetgeen van onmiddellijken invloed op de algemeene rust en veiligheid konde worden gerekend". Met deze voorloopige beslissing kon Muntinghe zich geheel vereenigen „als kunnende

naar zijn inzien onder de belofte geene actieve dienst aan een overwinnend Gouvernement te bewijzen, nimmer begrepen worden eene verplichting om zich te onttrekken aan die daden, welke het zelfbehoud en de bewaring der orde en zekerheid in de menschelijke zamenleving ons in alle omstandigheden en zonder aanschouw van eenig bijzonder Gouvernement oplegt ......”.

Maar ook hiermede was de zaak niet afgedaan, want vijf dagen later werd Muntinghe met het personeel van den Raad van Justitie opnieuw opgeroepen en hen door Raffles opgedragen hunne functiën *ten volle* uit te oefenen. Muntinghe heeft toen zijn bezwaren nogmaals, ten aanhoore van de leden van den Raad, aan Raffles medegedeeld en den Engelschen Luitenant-Gouverneur verzocht om ontslagen te worden van zijn functiën van president, liever dan zijn gegeven belofte te moeten verbreken. Raffles ging hierop in zooverre in, dat hij Muntinghe tijdelijk onthief van de waarneming zijner functien, waarop laatstgenoemde deze in de zitting van den Raad op den volgenden dag nederlegde.

Dienzelfden dag echter ontbood Raffles Muntinghe voor de derde maal, thans om hem mede te deelen, dat de gisteren gedane toezegging bij nadere overweging was teruggenomen, en dat hem, namens het Engelsche Gouvernement, bepaaldelijk werd gelast, onmiddellijk en ten volle zijn functiën als president waar te nemen. Muntinghe gaf toen verder tegenstribbelen op, omdat hij meende „alles verrigt te hebben, wat de getrouwheid aan zijn gegeven woord van hem vorderde en dat het de bedoeling van den Gouverneur-Generaal Janssens nimmer kon geweest zijn om de Ambtenaren door het afnemen van deze belofte, aan verdere onheilen bloot te stellen, welke het gevolg zou kunnen zijn van eene hardnekkige weigering aan een zoodanig stellig bevel ......” [7]).

Indrukwekkend is het optreden van Muntinghe zeker niet, maar misschien wel verstandig. Het wekt meer den schijn, dat Muntinghe een voor beide partijen aanvaardbare oplossing zocht, dan dat hij zich geheel aan zijn eenmaal gegeven belofte heeft willen houden. Men vergete niet, dat op den 18den September zelf het teekenen van de capitulatie van Kali Toentang te Batavia nog niet bekend kon zijn. Tot dat oogenblik, namelijk het bekend worden op de hoofdplaats der capitulatie, was Muntinghe onvoorwaardelijk door zijn uitdrukkelijke belofte gebonden — welke ook zijn gevoelens ten opzichte van den nieuwen machthebber mochten zijn — en uit dien hoofde zou het van meer standvastigheid getuigd hebben als hij niet zoo spoedig voor den toch wel zeer zachten dwang van Raffles bezweken was.

---

[7]) a.w. pag. 413.

Bij beoordeeling van zijn gedrag mag echter niet vergeten worden, dat de omstandigheden duister en moeilijk waren en dat de sympathie in het algemeen uitging naar de veroveraars; bij Muntinghe zelfs zoo zeer, dat hij enkele jaren later het verzoek heeft gedaan om als Engelschman genaturaliseerd te worden. Zoover is het echter nooit gekomen.

Er waren vele Hollanders, die minder scrupules toonden dan Muntinghe om in Engelschen dienst over te gaan. Lieden als C. H. J. van Affelen van Saemsfoort, fiscaal der houtbosschen, kapitein J. C. L. Meyer, de Secretaris-Generaal L. W. Meyer [8]), die in zijn tijd „den lafhartigste der menschen” genoemd is, de landdrost van Krawang W. Offers, de als „domestique” naar Indië gekomen L. F. J. Villeneuve, die onder Daendels tot intendant van het paleis te Buitenzorg was benoemd [9]) of de resident van Cheribon, M. Waterloo, waren wel zeer snel in het aanbieden van hun diensten aan de Engelschen, of lieten zich — een andere vorm voor dezelfde zaak — zonder eenig protest rustig in hun betrekkingen continueeren. Van eenige moeilijkheden bij den overgang in den nieuwen dienst bespeurt men bij hen niets.

Dat deze moeilijkheden later toch niet geheel uitbleven, blijkt uit het geval van Johan Dirk Hartelieff, als kapitein en aide-de-camp van Daendels (die hem hartje-lief noemde) naar Java gekomen en door het Engelsch bestuur tot drost van Grissee aangesteld, die om zijn aanhankelijkheid aan de Engelschen door zijn landgenooten scheef werd aangezien. P. A. Goldbach, landdrost te Soerabaja, dien de Engelschen in verband met zijn manupilatie van prijsgoederen Goldbag of Goldback noemden, klaagde, dat hij door in Engelschen dienst over te gaan, gevaar liep van een „civielen dood”, waardoor hij „den eigendom van alle mijne

bezittingen in Holland" zou verliezen. Maar moeilijkheden als deze zijn uitzondering gebleven. In het algemeen schikte men zich gemakkelijk in den nieuwen toestand.

Zoo ook het drietal „bestuursambtenaren" J. A. van Middelkoop, Mr. J. A. Doornik en C. van Naerssen, waarvan de laatste twee gedurende de geheele Engelsche periode als resident zijn gehandhaafd. Van Middelkoop, landdrost te Semarang, wist van de landing der Engelschen en de daarop volgende daling van het papiergeld te profiteeren door op het laatste moment met dit gedepreciëerd geld een van het Gouvernement gekocht landgoed te betalen. Bij den komst der Engelschen te Semarang vluchtte hij, doch keerde spoedig terug om als landdrost te worden bevestigd. Van van Middelkoop schrijft Dr. de Haan in zijn vorenaangehaalde studie over personen tijdens het Engelsch Tusschenbestuur, dat hij den onaangenamen indruk maakt van kruiperig, zelfzuchtig, intrigant en buitendien zoo weinig ontwikkeld te zijn, dat zijn Engelsch vaak nauwelijks meer dan abracadabra lijkt. In een brief van een tijdgenoot is dit sieraad der toenmalige Indische samenleving beschreven als een „smulpaap en wellusteling", die aan Daendels „de hoeren bezorgd heeft en die zoo schandelijk in zijne besturen heeft gehandeld".

Doornik was bij de verovering landdrost in Pekalongan en is door Raffles in die functie overgeplaatst naar Japara. Deze landdrost is gekarakteriseerd als het type van den Compagniesdienaar met protectie, die niet eens in staat was om behoorlijk Hollandsch te schrijven, laat staan Engelsch. Eind 1812 zond Doornik een langen nieuwjaarswensch — in het Nederlandsch — aan den Engelschen Luitenant-Gouverneur. Op een vraag van den scriba te Joana, wat er gedaan moet worden om de nieuwe ongewilde duiten gangbaar te maken, antwoordde onze held: „Een helder pak op de bazaar". Toen hem vermindering van zijn tractement was aangezegd, schreef hij aan de Engelsche Regeering: Ik zal „eene verdubbelde aanstrenging van ijver trachten aan den dag te leggen, teneinde in Uwer Excellentie hooger dan geldswaarde geschatte goedkeuring mijne belooning te vinden". Als deze landdrost een gevangenis moet inrichten wil hij daartoe, zonder eenige vergoeding, een mesigit gebruiken, welke de regent bezig was te bouwen; ten slotte kwam hij met een plan voor den dag om te laten vaccineeren door oude wijven. Dit puikje onder de toenmalige bestuursambtenaren is ook onder het herstelde Nederlandsche gezag nog zeven jaren resident van Japara, later Japara en Joana, gebleven!

Van Naerssen, zwager van den admiraal Ver Heull, was door Daendels ontslagen als resident van Grissee. Onder het Engelsch bestuur heeft hij recht gezocht en ook gekregen. zoodat hij reeds in 1812 wederom tot het tevoren door hem bekleede ambt van resident werd benoemd. Als bestuursambtenaar moet hij een prul zijn geweest; zijn ambtelijke correspondentie wekt den indruk, dat een klerk het zeker even goed zou hebben gedaan. Maar tien jaar tevoren had Van Naerssen reeds geschreven: „Ik betracht de philosophie der apathie". Daartegenover stond, dat hij een vermogend en ontwikkeld man was, die goed Fransch kende, een flinke boekerij bezat, benevens „surgical and other instruments" en een chemisch laboratorium. Mogelijk heeft hij juist door deze persoonlijke gaven en liefhebberijen den gunst van Lord Minto weten te winnen, want niet alleen schreef Van Naerssen nooit in het Engelsch, maar hij was vermoedelijk nogal Franschgezind, zoo zelfs, dat hij eener zijner geadopteerde kinderen Napoleon heeft benaamd. Deze resident leidde dus bijkans een dubbel leven; hij was „een dilettant geleerde, een prulambtenaar, een aangenaam mensch".

Ook een vooraanstaand persoon als J. A. van Braam, de zoon van den bedwinger van Riouw in 1784, een intimus van Daendels, die het onder het bestuur van den IJzeren Maarschalk niet slechts tot resident (of minister) te Solo, maar zelfs tot president der Indische Regeering[10] en eventueel vervanger van den Gouverneur-Generaal had gebracht, was er dadelijk op uit om de Engelschen ter wille te zijn. Na het aftreden van Daendels was Van Braam weer tot president te Solo benoemd, waar hij de Britsche belangen zoo goed wist te behartigen, dat ook zijn eigen, reeds zeer omvangrijke vermogen er geen schade bij leed.

Van Braam Res. Solo

Onder al de pluimstrijkende Batavianen was wellicht de stroopperigste[11] Jan Samuel Timmerman Thyssen, member of the Bench of Magistrates. Op het nationale feest, dat op 24 Augustus 1814 voor de onafhankelijkheidsverklaring van Nederland gegeven werd, fleemt Jan Samuel „that the most fortunate moment which Java had ever known was that on which Lord Minto selected Mr. Raffles for its future Governor". Van Minto had deze „platte Hollander" reeds te voren in de Java Gazette geschreven: „His Sovereign has conferred on him the dignity of an Earl, but the

---

[10] Teekenend voor de toen heerschende toestanden is, dat Van Braam als resident te Solo 2 à 3 ton en als president der Hooge Regeering slechts 25.000 Rds. per jaar verdiende!

[11] Deze omschrijving is ontleend aan De Haan, a.w. pag. 652.

Almighty has recorded his name in the Annals of Philantropy and at a future period we may expect to behold our Noble Benefactor in the Mansions of Heaven decorated with the emblems of sincerty and virtue". De Engelsche lezers van van deze fraaie ontboezeming zullen er ongetwijfeld het hunne van gedacht hebben!

Tot opluchting wellicht van mijn lezers dient ook vermeld, dat er verscheidene Hollanders geweest zijn, die zich afzijdig gehouden hebben van het nieuwe bestuur. Als een overgangsfiguur in dezen is te beschouwen J. C. Baud, de latere Gouverneur-Generaal en Minister van Koloniën, die als secretaris van Janssens naar Indië gekomen was. Baud was een van de weinige getrouwen, die na het gevecht van Meester-Cornelis met Janssens naar Buitenzorg zijn gevlucht en dezen weinig fortuinlijken Gouverneur-Generaal ook op zijn verderen tocht over Java begeleid hebben. Na de capitulatie van Kali Toentang kwam hij in aanraking met Captain W. Robison, benoemd assistent-secretary to Government and secretary to the Lieutenant-Governor, door wien hij een aanstelling verkreeg op de secretarie. Door zijn degelijke kennis der Engelsche taal wist hij hier voortreffelijk werk te doen waarvan de vruchten thans nog, in den vorm van duidelijke en overzichtelijke registers op de Proceedings, in het Landsarchief te vinden zijn. Maar D. W. Pinket van Haak, bij de verovering landdrost van Japara, L. Z. Veeckens, landdrost der Bataviasche regentschappen en J. I. van Sevenhoven, secretaris der Hooge Regeering, waren al te zeer Daendeliaan en Franschgezind, dan dat zij onder de nieuwe machthebbers in hun betrekkingen gehandhaafd konden blijven. J. Cock Blomhoff, pakhuismeester, later opperhoofd op Decima, die in 1813 op Java verscheen als gemachtigde van Doeff, moest zijn manmoedige en onverzettelijke houding tegenover het Engelsch bestuur met een arrestatie en opzending als krijgsgevangene bekoopen.

Nahuys
van
Burgst

Het lid van het college van administratie over de houtbosschen, Mr. H. G. Nahuys (de latere Generaal-Majoor baron Nahuys van Burgst) bood dadelijk bij de landing der Engelschen zijn militaire diensten aan Janssens aan, die hem als volontair bij de staf plaatste. Nadat hij bij Meester-Cornelis gewond werd, geraakte hij in krijgsgevangenschap. Hoewel de ridderlijke Nahuys in zijn gevangenschap als kameraad met de Engelsche officieren omging, bleef hij standvastig voor zijn onveranderd standpunt uitkomen, zoodat de Engelsche opperbevelhebber genoodzaakt was hem als krijgsgevangene naar Bengalen te sturen. Tegen zijn overgeloopen landgenooten trad Nahuys scherp op; een Engelsch getuigenis zegt van hem: „he bears a very high caracter among his countrymen for honor and uprightness". Zijn houding deed Nahuys eer aan, evenals de Engelschen, die een man van karakter wisten te waardeeren.

Nahuys-Hono[illegible]

Mannen van karakter!

Dáárraan mangelde het ons Indië in die dagen. Dat de Nederlandsche ambtenaren, vergeleken bij de Engelsche, wat hun capaciteiten betrof in het algemeen slechts een middelmatig figuur sloegen is begrijpelijk. Uitzonderingen hierop zijn Muntinghe, wiens schitterende verstandelijke gaven door Raffles ten volle zijn benut, en goede krachten als Pinket van Haak, Veeckens en Van Sevenhoven, die zich om hun politieke gezindheid afzijdig hielden. Voor het overige was er weinig koren en veel kaf; slechts omdat het Engelsch bestuur zoo'n groot tekort aan personeel had, werden zooveel minder geschikte Hollandsche krachten gebruikt. Maar wat vooral opvalt is, dat deze Nederlanders, bij hun lauwe en trage houding in het algemeen, toch hun grove eigenbelang steeds weer en zonder veel scrupules wisten te behartigen.

Zonder meer veroordeelen zou echter niet juist zijn. Het lag voor de hand, dat de Indische Nederlanders beter met de Britten overweg konden, dan met de Franschen onder Napoleon, die niet alleen zooveel onrustbarende nieuwe inzichten en instellingen aan het vaderland had gebracht, maar dit bovendien tot een provincie van het Fransche rijk had verlaagd. Karakteristiek is de uitlating van den gewezen secretaris-generaal Lieve Willem Meyer, die naar aanleiding van het bericht over de toen in Nederland heerschende ellende, in 1813 in de Java Gazette zijn landgenooten toeriep: „Leerd tog eindelijk alle Uwe waren vrienden .... kennen en uwe onderdrukkers van uwe beschermers onderscheiden!" Buitendien was er voor hen in den toestand toch geen verandering te verwachten, voordat Nederland zijn onafhankelijkheid zou hebben herwonnen. Niettemin valt er in de houding, door onze Indische voorvaderen aangenomen bij de verovering van Java door de Engelschen, een pijnlijk gebrek aan zelfrespect en waardigheid te constateeren, de enkele goede uitzonderingen daargelaten.

Wellicht kunnen wij in het huidig tijdsgewricht beter dan ooit tevoren de moeilijkheden begrijpen, waarvoor de Nederlanders op Java zich destijds gesteld zagen, maar naarmate wij ons meer inleven in dat verleden zal ook onze waardeering toenemen voor de vastheid van karakter en de ridderlijke trouw aan een eenmaal gegeven woord, die toen — om een naam te noemen — bij een Hollander als Nahuys tot uiting zijn gekomen.

PROCLAMATION OF RAFFLES TO INHABITANTS OF JAVA SENT FROM MALACCA 14 MARCH 1811

Inhabitants of Java !

The fortunate period is arrived when the English authorities meditate an attack on Java - they will appear soon on your coasts with a Naval and Military force which must render xx resistance vain - already has the (island of) Mauritius and the whole of the French Naval and Military forces serving in this country surrendered to British arms - it is now intended to establish the British Interests in the Island of Java ! !

You cannot be ignorant of the much boasted strength of the Mauritius - you have heard with what facility it fell before English prowess and discipline - be not therefore deceived in your own strength, nor calculate too highly on the means of resistance adopted by your chief, who to effect a temporary military stand may be heedless how far he involves you and the whole island in misery and ruin - the English are fully aware of his resources and are prepared to meet them - for your own interests be cautious how you involve yourselves.

Inhabitants who have been long settled in Java with your families ! It is to you that the Proclamation is more particularly addressed, altho' it deserves the consideration of all ! What has been your situation for the last three years ! How long, after the failure of every attempt and clandestine trade, have not the precious productions of your island been blocked up within your settlements and mouldering in your stores ! How long have you not been deprived of every intercourse with neighbouring states and of every advantage from commerce ? And for what ? Are you not at this day subjected to the grossest military oppression and tyranny, to a system of forced loans and levies destroying alike every shadow of security either for persons or property ?

Alas ! The politics that have latterly disturbed the peace of Europe have been fatally transplanted to your otherwise happy island - but the period of their termination is fast approaching - the English are at hand, all they require is that you should individually consider the state of affairs- deliberate thereon - and act for yourselves - your future happiness or misery as well as that of your families is in your own hands - the English character is not unknown to you - it is for you to decide -

Inhabitants ! Remain neutral - reside on your estates, maintain order and respect among your slaves, let not the public peace be disturbed, each of you maintain and be ready to deliver a good and true account of the duty with which your are now respectively charged - neither suffer the sequestration not the destruction of property.

Following this line of conduct, you may rely on the protection of the English, but if, one the contrary you abandon your property, admit of disorders in your departments or in any way make resistance to the British troops, remember that you forfeit that protection.

The inhabitants of the Moluccas already enjoy the blessings of English Government, may your conduct entitle you to its consideration.

Given under my hand at Malacca
this 14th March

he wished to say.

"The Emperor upon this night observed and for amusement spoke not a word, the other princes sitting on the floor likewise did the same."

Robson asks if received letters from Raffles sent from Malacca.

At first Emperor says "No"

+ Minto's proclamation sent via [illegible] of Cirebon.

But later admits 2 letters from Raffles receiving enclosing letter to Sultan of Djogja which Emperor does not forward.

Emperor = asks whether to destroy letters = espec keen to destroy letters to Sultan of Djogja.

Princes urge: Emperor to be frank about his grievances

[illegible] [illegible] [illegible]." Conversation passed on to Robson by Kriosman.

Emperor complains of Van Braam
way toll-gates / birds nests woman issued and treats Emperor very hard.
"Van Braam now satisfied although draws farm of 20,000 Sp. Dollars p.a. + other advantages."

∴ asks for Van Braam + servants to be dismissed.

Robson promises to pass on complaints to Minto: wants Van Braam to be replaced by an Englishman.

Robson then gives pocket watch to Emperor as a sign of friendship: looked at by all princes.

Also asks Pang Aria Prang Wedānās = lands
to be returned to jurisdiction
of Emperor.
Soenan says would not abandon prince but
give him an income in accordance with
his dignity.

But Robison particularly insists on good
relations between Soenan + Prang Wedana.
Robison asks Soenan to hand a memoir
written of demands.

Makes no boundaries = only promises to
forward petition to Ld Minto.

Emperor gives Krijsman present.
of 2 Batik dresses (? sarongs)

TRANSLATION of PRO MEMORIA of SUNAN:

My wishes (Vunans) and Desires are

Art 1 Desires prosperity of ~~[illegible]~~ my country contentment satisfaction of my heart

Art 2 That the graves of my family situated on Java's N.E. Coast namely at Ampel, Giri, Tuban, Bonang, Kudus, Adilagu, Demak and Tegalaman with those that keep watch over the same may be again delivered up to me.

Art 3 That the Strand money of the Strand (Beach) on Java's N.E. Coast to the amount of 10,000 Sp. Dollars per annum which serves as a means of support to my family but which has been annulled and withdrawn by the G.G. Daendels may be restored to me.

Art 4. That all the Chinese residing in the Jurisdictions Soerakarta may be placed under my immediate orders, as from old times this nation can make cause many troubles as well in the Desas as in the Capital.

Art 5 That all my Toll-gates, Solarans and the farm of Birds nests which I have ceded to the minister (Van Braam) may be restituted to me again as I want to administer them myself.

Art 6. I request that the minister Van Braam and his sec Servatius may the sooner the better depart from Soerakarta.

Art 7 That at the exchanges of a new minister who hitherto watches over my court, that the old etiquette and honour may be again observed, as it was in the times of the Dutch Company and that when the new minister wishes to speak to me he will come together with my

1811 (21 Sept)

prime minister, and that of the new minister give me cause for discontent on account of improper management & acting, in that case the examples the VOC can be followed and I request a new minister

Art 3. I request that my son Prabu Prang Wedana with all his authority may again stand under my orders, just as in the same manner as my other children and relatives.

Art 5. That my subjects at Pinggir + Kaningas who are living on Java's N.E. coast with all that has any relation to it may again be restored to me.

Art 10 That as experience has taught that the questionable affairs or differences between the Government and subjects, the Javanese, are always troublesome. I request on that account that Javanese Justice may be at liberty to manifest their affairs and sincerely and according to truth that expenses which they occasion may be equitable and not disproportionate to the security of Java's prosperity

Art 11 That in case I may have anything else to request as favourable as equitable and reasonable as that which I have done heretofore, And hoping however to have pleasantly set out my views I therefore have honour to name myself.

Signed
Kruseman.

how the natures of governments and societies, as well as the nature of 'tolerated' minorities must be taken into account, affecting the extent of toleration within a society.

That religious intolerance can be seen as necessary, at least in part, with the formation of a stronger machinery of government is evident from a number of cases. For example, Ferdinand and Isabella of Spain's 'Reconquista' of territories ~~accomp~~ from Moors in the Iberian Peninsula in the ~~the~~ 16th century, ~~has been associated~~ accompanied by a defined persecutory ~~institutional~~ mechanism in the form of the 'Spanish Inquisition' has been associated with a wider development of institutional centralisation of Government during their reigns. // Similarly, evidence ~~Savonarola's~~ of 'toleration' in terms of 'not articulated and definite persecution' despite social qualms or discomfort with a particular system or element of doctrine can be seen with regards to usury and Jews in Italy in the 14th to 16th century. ~~That usury was considered unacceptable by Catholic [illegible] doctrine [illegible] but widely appreciated as~~. The implication here being that articulated intolerance ~~of the~~ though present, was more effectively meted out through legislation following, for example the installation of a stronger regime or ideology. ~~Such was the same~~ Intolerance or abhorrance of usury - associated with Jews in Italian cities during the this period as Jewish doctrine rendered it acceptable, is evident from literature - such as Dante's 'Inferno' in which a circle of hell is attributed to usurers, and art: Giotto's decoration of

PROCLAMATION OF RAFFLES TO INHABITANTS OF JAVA
SENT FROM MALACCA 14 MARCH 1811

Inhabitants of Java !

The fortunate period is arrived when the English authorities meditate an attack on Java - they will appear soon on your coasts with a Naval and Military force which must render ~~xx~~ resistance vain - already has the (island of) Mauritius and the whole of the French Naval and Military forces serving in this country surrendered to British arms - it is now intended to establish the British Interests in the Island of Java ! !

You cannot be ignorant of the much boasted strength of the Mauritius - you have heard with what facility it fell before English prowess and discipline - be not therefore deceived in your own strength, nor calculate too highly on the means of resistance adopted by your chief, who to effect a temporary military stand may be heedless how far he involves you and the whole island in misery and ruin - the English are fully aware of his resources and are prepared to meet them - for your own interests be cautious how you involve yourselves.

Inhabitants who have been long settled on Java with your families ! It is to you that the Proclamation is more particularly addressed, altho' it deserves the consideration of all ! What has been your situation for the last three years ! How long, after the failure of every attempt and clandestine trade, have not the precious productions of your island been blocked up within your settlements and mouldering in your stores ! How long have you not been deprived of every intercourse with neighbouring states and of every advantage from commerce ? And for what ? Are you not at this day subjected to the grossest military oppression and tyranny, to a system of forced loans and levies destroying alike every shadow of security either for person or property ?

Alas ! The politics that have latterly disturbed the peace of Europe have been fatally transplanted to your otherwise happy island - but the period of their termination is fast approaching - the English are at hand, all they require is that you should individually consider the state of affairs- deliberate thereon - and act for yourselves - your future happiness or misery as well as that of your families is in your own hands - the English character is not unknown to you - it is for you to decide -

Inhabitants ! Remain neutral - reside on your estates, maintain order and respect among your slaves, let not the public peace be disturbed, each of you maintain and be ready to deliver a good and true account of the duty with which your are now respectively charged - neither suffer the sequestration not the destruction of property.

Following this line of conduct, you may rely on the protection of the English, but if, on the contrary you abandon your property, admit of disorders in your department or in any way make resistance to the British troops, remember that you forfeit that protection.

The inhabitants of the Moluccas already enjoy the blessings of English Government, may your conduct entitle you to its consideration.

Given under my hand at Malacca
this 14th Day of March.
